

JOIN AS A SUSTAINING PARTNER

The Illinois Food Scrap Coalition is a thriving organization of solid waste agencies, counties, private sector businesses, and community and government organizations throughout the state that are dedicated to advancing food scrap composting in Illinois. **We are seeking SUSTAINING PARTNERSHIPS from businesses, haulers, composting (and anaerobic digestion) facilities, educational institutions, and communities** that directly benefit from the work that IFSC is doing to support and grow infrastructure in the state. Your support in the form of an annual contribution will not only further the impact of this group's initiatives and therefore your business, but also provide valuable exposure for your organization and its message. Thank you for joining your fellow industry leaders in selecting the sponsorship level and benefit package that suits you best.

THE BENEFITS OF ADVANCING FOOD SCRAP COMPOSTING
